# COURSE OVERVIEW

The aim of this course is to further develop your linguistic skills in British Sign Language towards advanced level, or C1 of the CEFR. Teaching begins by briefly revisiting the vocabulary and grammatical structures covered in Level 3/4, before moving swiftly onto developing skills, understanding and knowledge in linguistics, receptive skills, productive skills and conversational skills.

The course is delivered in an informal and relaxed environment and your teacher will use a variety of teaching and learning methods to cater for all learning styles and to meet the needs of all learners. The course is designed to be fun, engaging and meaningful and will give you the opportunity to practice your productive and receptive skills by means of group work, pair work, role-plays, games, presentations and discussions.

The Level 6 course is useful for anybody who is in regular contact with deaf people, be it through work or social life. On completion of this course, learners will be able to progress onto professional training in sign language interpreting, translation and communication support by completing the Level 6 Diploma in Sign Language Interpreting and Translation or the Level 3 Certificate in Communication Support for Deaf Learners.

Ideally, you will already be working or socialising with native signers on a regular basis.

We may ask some applicants to attend an interview before offering a place.

# RE-SITS AND EXTRA TUITION

## Extra Tuition

Sometimes it can be difficult keeping up with the pace of the course, especially if you have missed a few sessions. In case this happens, we can arrange for you to have some one-to-one catch-up sessions with your teacher to help you get back on track with the course. You can have as many or as few sessions as you like, but your teacher will advise you on how many hours of extra input you might need. These sessions are charged at £50 per hour

## Exam Re-sits

If you fail one or more of your exams, we can arrange for you to re-sit the exam. You can re-sit an exam at any time, but we have to book the exam at least 4 weeks in advance.

Exam re-sits is an additional service and is not included in the initial course fee. As a result, you will need to pay an additional fee for exam re-sits. This fee will be the current Signature Candidate Registration Fee (see [www.signature.org.uk](http://www.signature.org.uk)) plus a £50 per hour tuition fee. If you fail one of your exams, we will contact you with information on what to do next.

# FEES AND FUNDING

## Funding for BSL Courses

We understand that learning British Sign Language can be a huge financial commitment. The total cost of learning BSL from Level 1 to Level 6 can be over £4,000. This is in addition to over £6,000 for further training to become a professional sign language interpreter or sign language translator.

Unfortunately, these days there is very little government help available for BSL courses. Some Further Education colleges are able to access government funding and so they are able to subsidise the cost of BSL courses and charge lower fees. However, these courses are rarely free and often FE colleges are only able to subsidise the cost of Level 1 BSL courses.

BSL First is a private training provider and so we are not eligible for government funding. This means that we have to run our business solely based on the income we generate from course fees. Although the cost of learning BSL is high, there are options available to help you with managing these costs.

## Private funding

The majority of students pay for the cost of BSL courses with their own private funds. This may be personal savings or setting some money aside every month to go towards the cost of the course.

We offer the option to pay the course fees over a number of monthly instalments to help you with managing your finances. The monthly payments are collected by Direct Debit, so it will come straight out of your bank account on a date that you have specified. For example, for the Level 1 BSL course, you may wish to pay £100 per month over 4 months on the 20th of the month. Below is an example breakdown of instalment payments.

This breakdown is indicative and intended for example purposes only.

	<b>1</b>	<b>2</b>	<b>3</b>	
Deposit	Installment 1	Installment 2	Installment 3	Total
£100	£100	£100	£100	£400

## Concessions and discounts

Due to the lack of funding available for hearing parents of deaf children and for hearing children of deaf parents, we offer a 10% concession. This concession is only available for the Level 1, Level 2 and Level 3 BSL courses and cannot be used in conjunction with any other offer.

BSL First is focused on providing professional courses in sign language interpreting, translation and communication support. As a result, we have designed a route that prepares you for entry to your chosen professional qualification, meaning you can save time and money in the long run.

For more information about fees and funding options, we have put together a Fees and Funding Guide, which you can download from our website: [www.bslfirst.com](http://www.bslfirst.com)

# REASONABLE ADJUSTMENT AND SPECIAL CONSIDERATION POLICY

In accordance with the Equality and Diversity Policy, BSL First aims to facilitate open access to all of its programmes for learners who are eligible for reasonable adjustment and/or special consideration in assessments or examinations. These reasonable adjustments must not compromise the assessment of the skills, knowledge or understanding of the competence being measured.

## Reasonable Adjustment

This is agreed at the initial assessment or interview stage and is any action that helps to reduce the effect of a disability or difficulty, which places the learner at a substantial disadvantage in the assessment situation. Reasonable adjustments must not, however, affect the reliability or validity of assessment outcomes, nor must they give the learner an assessment advantage over other learners undertaking the same or similar assessments.

A reasonable adjustment helps to reduce the effect of a disability or difficulty that places the learner at a substantial disadvantage in the assessment situation.

Reasonable adjustments must not affect the validity or reliability of assessment outcomes, but may involve:

- ▶ Changing usual assessment arrangements
- ▶ Adapting assessment materials
- ▶ Providing assistance during assessment
- ▶ Re-organising the assessment physical environment
- ▶ Changing or adapting the assessment method

Reasonable adjustments must be approved (internally or externally) and set in place prior to assessment commencing. It is an arrangement to give a learner access to a qualification.

The work produced following a reasonable adjustment must be assessed in the same way as the work from other learners.

## Examples of Reasonable Adjustments

Below are examples of reasonable adjustment. It is important to note that not all adjustments described below will be reasonable, permissible or practical in particular situations. The learner may not need, nor be allowed, the same adjustment for all assessments. A reasonable adjustment must never affect the validity or reliability of assessment, influence the outcome of assessment or give the learner(s) in question an unfair assessment advantage.

- ▶ Changes to assessment conditions
- ▶ Modification to the presentation of assessment material
- ▶ Alternative ways of presenting responses
- ▶ Allowing extra time, e.g. assignment extensions
- ▶ Using a different assessment location
- ▶ Use of coloured overlays,
- ▶ Assessment material in large format
- ▶ Assessment material on coloured paper
- ▶ Language-modified assessment material
- ▶ British Sign Language (BSL)

## Requesting Reasonable Adjustment

Reasonable adjustments are approved before an assessment and are intended to allow attainment to be demonstrated.

A learner does not have to be disabled (as defined by the Equality Act 2010) to qualify for reasonable adjustment; nor will every learner who is disabled be entitled to reasonable adjustment.

Allowing reasonable adjustment is dependent upon how it will facilitate access for the learner.

A reasonable adjustment is intended to allow access to assessment but can only be granted where the adjustment does not affect the validity or reliability of the assessment given the learner(s) in question; provide an unfair advantage over other learners taking the same or similar assessment; or influence the final outcome of the assessment decision.

It is the responsibility of the learner and/or the relevant teaching staff to inform the course administrator of any application or request for reasonable adjustment.

It is at the discretion of BSL First management as to whether or not a reasonable adjustment will be awarded.

## Special Considerations

This is a post-assessment or post-examination allowance to reflect temporary illness, injury or indisposition that occurred at the time of assessment. Any special consideration granted cannot remove the difficulty the learner faced at the time of assessment and can only be a relatively small adjustment to ensure that the integrity of the assessment is not compromised.

A special consideration is a consideration given following a period of assessment for a learner who was prepared for and present at an assessment but who may have been disadvantaged by temporary illness, injury or any acceptable extenuating circumstances, as set out in the Extenuating Circumstances Policy, that have arisen at or near to the time of assessment misses part of the assessment due to circumstances outside their control.

A learner will **not** be eligible for special consideration if no evidence is supplied that the learner has been affected at the time of the assessment by a particular condition, any part of the assessment is missed due to personal arrangements including holidays, or unauthorised absence or any unacceptable extenuating circumstances, as set out in the Extenuating Circumstances Policy.

The following are examples of circumstances that might be eligible for special consideration (this list is not exhaustive):

- ▶ Terminal illness of the learner
- ▶ Terminal illness of a parent
- ▶ Recent bereavement of a member of the immediate family
- ▶ Serious and disruptive domestic crises leading to acute anxiety about the family
- ▶ Incapacitating illness of the learner
- ▶ Severe car accident
- ▶ Recent traumatic experience such as death of a close friend or distant relative
- ▶ Flare-up of severe congenital conditions such as epilepsy, diabetes, severe asthmatic attack
- ▶ Recent domestic crisis recent physical assault trauma broken limb on the mend

## Requesting Special Consideration

All requests for special considerations should be made to the course administrator. All requests must be made in either English or BSL. It is at the discretion of BSL First management as to whether or not special consideration will be awarded.

# MALPRACTICE POLICY

Malpractice consists of those acts that undermine the integrity and validity of assessment, the certification of qualifications, and/or damage the authority of those responsible for conducting the assessment and certification.

The centre will ask all learners to declare that their work is their own. For all internal assessments, the centre and its learners must provide a written declaration that the evidence is authentic and that the assessment was conducted under the requirements of the assessment specification, as set out by Signature.

The centre will take positive steps to prevent or reduce the occurrence of learner malpractice. These steps are:

- ▶ Using the induction period and the Course Handbook to inform learners of the centre's policy on malpractice and the penalties for attempted and actual incidents of malpractice.
- ▶ Introducing procedures for assessing work in a way that reduces or identifies malpractice, e.g. plagiarism, collusion, cheating, etc.

## Examples of Malpractice

## Centre Staff Malpractice

The following are examples of malpractice by centre staff. The list is not exhaustive and other instances of malpractice may be considered by BSL First Limited at its discretion:

- ▶ Assisting learners in the production of work for assessment, where the support has the potential to influence the outcomes of assessment, for example where the assistance involves centre staff producing work for the learner
- ▶ Producing falsified witness statements, for example for evidence the learner has not generated allowing evidence, which is known by the staff member not to be the learner's own, to be included in a learner's assignment/task/portfolio/ coursework facilitating and allowing impersonation
- ▶ Misusing the conditions for special learner requirements, for example where learners are permitted support, such as an amanuensis, this is permissible up to the point where the support has the potential to influence the outcome of the assessment
- ▶ Failing to keep learner computer files secure
- ▶ Falsifying records/certificates, for example by alteration, substitution, or by fraud

- ▶ Refusing to register students for an assessment/examination in cases where malpractice has been proven
- ▶ Withholding the release of results/certificates
- ▶ Withholding test/examination papers if the security of a test/examination is considered at risk pending the outcome of the investigation
- ▶ Reserving the right to withdraw students from courses and training programmes
- ▶ Reserving the right to pass on information regarding malpractice to the examination body
- ▶ Ending supervision of Trainee Sign Language Interpreters and informing the NRCPD of malpractice

The awarding body is responsible for all external assessments. If you would like to appeal against an external assessment decision, you should contact BSL First within two weeks of receiving the result. ## Section 1: Introduction

This Extenuating Circumstances policy is to be used where circumstances are believed to be unforeseen, arising close to or during assessment and have had a significant and detrimental impact on the student's ability to comply with the demands of the assessment or attendance on a course.

The procedure applies to all forms of assessment which:

- ▶ Have been missed (in the case of timetabled assessments)
- ▶ Have been completed after the published deadline (in the case of a non-timetabled assessment)
- ▶ It is anticipated will be completed after the published deadline (in the case of a non-timetabled assessment)
- ▶ Have been attempted in the presence of extenuating circumstances (in the case of either a timetabled or non-timetabled assessment)

Where a student is aware of a disability or long-term medical condition, or other circumstances that are expected to have an impact on their performance in assessment, they should make their teacher aware of their circumstances at the earliest possible opportunity so that appropriate arrangements can be put in place.

The following procedure is also to be used in cases where circumstances are unforeseen, arising close to or during assessment. By missing an assessment or a class, the student will receive a mark of 0 if the examination body or BSL First decides that the assessment was missed without 'sufficient cause'.

## Section 2: Non-compliance with the Assessment Requirement(s)

A student who is unable to comply with the published timetabled assessment requirement(s) must, at the earliest possible opportunity, contact the course administrator with a full explanation.

Coursework extension requests and other requests relating to coursework should be made to the member of staff responsible for the assessment prior to the published submission date with supporting evidence. If an extension is agreed, the revised submission date should be confirmed in writing, or by email, by the course administrator.

The extenuating circumstances request should be submitted as soon as the student knows that s/he will not comply with the assessment requirement(s). The absolute latest date for submission is the seventh working day after the affected assessment. If the request is not submitted within this period, the student may receive a mark of 0 for the assessment(s).

BSL First reserves the right as to whether to consider extenuating circumstances claims that are submitted after the seventh working day from the affected assessment. BSL First is entitled to reject automatically and without consideration all extenuating circumstances claims that are submitted after the deadline above. The only exception to this provision is where the student provides authoritative evidence (e.g. from a doctor) that they were incapacitated through illness and unable to submit the extenuating circumstances any earlier. Where such an exception is made, the student's claim will be considered under this policy without prejudice.

Notwithstanding the above, extenuating circumstances claims will in any case not be considered if they are submitted more than one month after notification of the outcome of an examination board.

All claims of extenuation made under this policy need to be supported by independent, reliable, documentary evidence of inability to undertake the assessment.

Upon receipt of a written claim, BSL First Limited will determine whether or not the student has 'sufficient cause' for non-compliance with the requirements of the assessment.

It is acknowledged that there may be occasions where the supporting evidence is felt to be particularly sensitive. In such cases, students may request that the claim of extenuation be given limited and minimal circulation. BSL First will adhere to its Data Protection Policy in all cases when handling supporting evidence.

# 27 Extenuating Circumstances Policy

## Section 3: Impaired Performance in a Completed Assessment

Where an assessment is completed but the student believes that there were extenuating circumstances that affected their performance, §2 of this policy (see above) should be followed.

## Section 4: Standard of Evidence

The 'burden of proof' to support a claim on extenuation lies with the student at all times. Evidence presented by students must meet the following standards and should:

- ▶ Be written by appropriately qualified professionals who are independent to the student
- ▶ Be on headed paper and signed and dated by the author. Evidence presented by email may be acceptable if the author has sent the email from the official domain name of the author's organisation
- ▶ Be dated at the time the reported extenuating circumstances took place and not be retrospective
- ▶ Be in English or in BSL. It is the student's responsibility to provide supporting documentation and any translation should be undertaken by an accredited translator
- ▶ Be original. Copies of supporting evidence will only be accepted in exceptional circumstances
- ▶ Be unaltered by the student. Documentation that has been amended for any reason will be deemed inadmissible
- ▶ BSL First should only uphold a student's claim of extenuating circumstances when, in their opinion, all of the above are fully satisfied

# 28 Extenuating Circumstances Policy

## Section 5: Acceptable Circumstances

The following gives examples of the kind of acceptable circumstances (i.e. where the student has demonstrated 'sufficient cause') and the associated evidence that is normally required. This is given without prejudice and for general guidance. It is not exhaustive, definitive or prescriptive. BSL First considers each claim of extenuating circumstances on its own merits and as an individual case.

### ▶ Long-Term Illness

An original medical certificate or letter from an appropriate medical professional (or equivalent) confirming the nature of the illness and the likely impact it has had on the student's ability to undertake formal assessment.

### ▶ Short-Term Illness

Short-term illness (less than 7 days) will not normally be regarded as an extenuating circumstance with regard to assessed coursework, where the student is given a number of weeks/months to complete and submit such work. It shall be for the teacher or Managing Director to decide whether this has affected the student's performance and whether an extension to a deadline should be granted.

### ▶ Bereavement

Where there is a demonstrably close relationship between the student and the deceased, a death certificate or a letter confirming the death from an independent person (usually not a family member) with their contact details provided.

### ▶ Acute Personal/Emotional Circumstances

An original medical certificate or letter from an appropriate medical professional (or equivalent) confirming the nature of the illness and/or circumstances and the likely impact it has had on the student's ability to undertake formal assessment.

### ▶ Hospitalisation

A medical letter/certificate from the relevant hospital confirming the nature and severity of the student's circumstances and the likely impact it has had on the student's ability to undertake formal assessment.

### ▶ Family illness

A medical certificate/letter from an independent medical professional confirming the nature and severity of the family circumstances and the likely impact it has had on the student's ability to undertake formal assessment.

### ▶ Victim of Crime

A written statement of events, which is supported by written evidence from the Police (including a crime reference number). Where relevant, an original medical certificate or letter from an appropriate medical professional (or equivalent) confirming the impact the reported crime has had on the student's ability to undertake formal assessment.

### ▶ Religious Observance

If the student has submitted an extenuating circumstances request by the required deadline and it has not been possible to make alternative arrangements, BSL First should take reasonable steps to provide an alternative assessment opportunity. Absence from an assessment for reason of religious observance, where no extenuating circumstances request has been submitted, or where the relevant permission for absence has not been obtained prior to the assessment, will not be deemed an acceptable extenuating circumstance.

If a student has made, or is making, a complaint under the Complaints and Appeals Policy and feels that the matters covered by that complaint may have affected their assessment performance, an extenuating circumstances request should be submitted in the normal way with appropriate evidence, as detailed in section 4 of this policy.

# 29 Extenuating Circumstances Policy

## Section 6: Confidentiality of Evidence

The confidential nature of information provided by students will be respected by BSL First in accordance with its Data Protection Policy.

Confidential information will only be shared within the company on a 'need to know' basis. Any student wishing to restrict the sharing of such information should make his/her wishes known to the Managing Director, preferably in writing. Students should be aware that BSL First cannot respond to a student's circumstances if it remains unaware of relevant information.

Normally such wishes will be respected unless to do so would be against the best interests of the BSL First community or the interests of safety or security of any person.

## Section 7: Unacceptable Circumstances

The following gives examples of circumstances that are likely to be considered as unacceptable (i.e. where the student has NOT demonstrated 'sufficient cause'). This is given for general guidance and is not exhaustive, definitive or prescriptive. BSL First considers each claim of extenuating circumstances on its own merits and as an individual case.

### ▶ **Transport issues**

It is expected that students will ensure that they arrive at the assessment on time, irrespective of the form of transport used or relied upon. An inability to travel as a result of circumstances beyond the student's control may though constitute sufficient cause.

### ▶ **Pre-booked holidays**

It is the student's responsibility to ensure that they are available for all assessments. All holidays should take place at a time that will not impact on the student's availability to undertake or prepare for an assessment.

### ▶ **Misreading the examination timetable**

It is the student's responsibility to ensure that they know and remember the location, time and duration of all formal assessments.

### ▶ **Paid employment or voluntary work**

It is expected that students will ensure that any paid employment or voluntary work does not interfere with their ability to engage with their studies or assessments.

### ▶ **'Exam Stress'**

Feeling 'below par' leading up to and during an assessment(s) is a common experience of many students. It is not considered to be an acceptable extenuating circumstance.

### ▶ **IT and/or Computer failure**

Loss or corruption of files is not an acceptable extenuating circumstance. It is the student's responsibility to ensure that all work, which is electronically stored, generated and/or submitted, is sufficiently backed up.

### ▶ **Criminal conviction**

If a student is convicted of a criminal offence any disruption caused by the investigation or sentence is not an acceptable extenuating circumstance.

BSL First reserves the right to produce any documentation, including assessment documents (such as assessment feedback), in either English or British Sign Language. It is the learner's responsibility to commission a translation, if required.

## Before the Exam

### Reasonable Adjustments and Special Considerations

BSL First Limited works to the guidelines specified in its Reasonable Adjustment and Special Consideration Policy. Any reasonable adjustment needs must be declared on the course application form when applying for the course, or to the course teacher at the start of the course. Any application for special consideration during classes and exams must be made at the beginning of the course.

### Complaints and Appeals

Complaints or appeals on the grounds that BSL First failed to make reasonable adjustment or special consideration will not be upheld if a learner has failed to inform the centre of their need for reasonable adjustment or special consideration.

### Assessment Dates

All assessments will take place during normal classroom hours.

The provisional date(s) of the assessment(s) will be published in a course timetable and distributed to students at the beginning of the course. The teacher will then confirm the exam date(s) with the students during normal class hours.

The confirmed assessment date is fixed and cannot be changed under any circumstances.

Students who were absent at the time the assessment date was confirmed must inform their teacher as soon as practically possible if they cannot make the agreed assessment date.

BSL First cannot guarantee that learners who are unable to make the agreed assessment date will be offered an alternative date.

Learners who cannot make the agreed assessment date due to extenuating circumstances should follow the guidance set out in the Extenuating Circumstances Policy.

Where applicable, learners will be given a time-slot for their exam.

Teachers will carry out mock assessments with all students before their official assessment (if applicable).

# 33 Examinations Policy

## Taking the Assessment

Learners must arrive 10 minutes before their allocated time slot.

Preparation will take place in an allocated preparation room. This will be clearly marked by the appropriate sign outside the room and exam regulations will be clearly displayed inside the waiting room.

Preparation and exams must take place under exam conditions, that is, a candidate must not accept help from anyone during preparation and the assessment.

No unauthorised personnel are allowed in the preparation or exam room. Those allowed are teachers, assessors, candidates and an invigilator.

No unauthorised items are allowed in the waiting room. Introduction of unauthorised items may be considered malpractice and result in disqualification (see Malpractice Policy for list of unauthorised items).

All mobile phones and electronic equipment must be switched off.

The teacher or assessor will collect the candidate from the preparation room and take him/her to the exam room to complete the assessment.

## After the Exam

When an assessment is finished, the candidate should leave the building unless asked to stay. There should be no contact between learners who have finished an assessment and those preparing for one.

## Exam Results

The course administrator will email all learners their results 3-5 working days after the centre has received the results from the awarding body.

BSL First administration will notify learners when certificates are ready for collection from the main office.

## Introduction

This policy sets out how BSL First aims to support learners in the event of centre approval or qualification approval being withdrawn by an Awarding Body.

This policy is aimed at all BSL First stakeholders including learners, centres, and other parties involved in any aspect of BSL First qualification and endorsed learning provision.

## Centre withdrawal of a qualification

In the event that BSL First decides to no longer offer a qualification, it will provide Signature with 8 weeks' notice via submitting a qualification withdrawal form with details of the withdrawal and rationale and details of any learners that may be affected.

## Signature withdrawal of centre approval to offer a qualification

If Signature decides to sanction a centre and withdraw its approval to offer a qualification, it will do so in accordance with its Sanctions Policy and will communicate this decision to the centre in accordance with the arrangements outlined in the Sanctions Policy.

## Centres which cease to operate

In some instances, centres may cease to operate due to financial circumstances and may have no opportunity to provide Signature with due notice. In such circumstances once Signature is informed of the situation (e.g. by a member of staff at, or Learners from, the Centre) BSL First will implement the following arrangements where appropriate:

1. Upon receipt of the notification, the Head of Compliance and Quality Assurance will be responsible for taking the request forward and for ensuring that BSL First takes all reasonable steps to protect the interests of any learners currently registered on the qualification(s). This will include:
2. Work with Signature and/or any Learners affected by the withdrawal in order to transfer them – where possible and feasible – to another Centre to enable them to carry on with the qualification(s) they are registered on.
3. If no alternative Centres are available/suitable for any Learners affected by the withdrawal, and/or the Learners do not wish to carry on with the qualification(s), they will seek to ensure the Learners are certificated for any units they have completed to date in accordance with the requirements of the associated qualification specification(s).

Update the Centre's record upon activation of the withdrawal to reflect the fact the Centre is no longer approved to offer the qualification(s).

In accordance with BSL First's Refund Policy, learners are entitled to receive a full refund of course fees in the event that they are unable to complete their course due to the Centre ceasing to operate.

At all times, the Head of Compliance and Quality Assurance will seek to ensure that all parties affected by the withdrawal are kept appropriately informed throughout.

## What if learners are unhappy about the situation?

If any learners are unhappy with the situation or with how BSL First may have dealt with the withdrawal they should contact Signature. If they are still unhappy they can then take the matter through Signature's Complaints Policy.
